best piano trio is organic, the stylistic
freedom is intact" - GP

Best Swedish Jazz album of the year - SvD

Josef Kallerdahl, bass. Fabian Kallerdahl, piano. Michael Edlund, drums

A dream team of Swedish jazz musicians make up MUSICMUSICMUSIC.

The trio has been labelled one of the:
"..MOST VITALIZING MUSIC EXPERIENCES TO HIT
THE JAZZ SCENE IN YEARS."

With a passion for experimentation, a refreshing lack of respect for the genre and ever present joy in playing, the trio is a phenomenon that reaches far beyond the borders of traditional jazz, and that is something that both audience and critics on all continents can vouch for.
